

## Instructions for Owner Relinquish

1. Fill out all information requested
2. Upon completion of this form, either email the form to:

Michael Spitale:	mspitale@insight.rr.com
Joshua Beale	joshbeale@wowway.com

OR Mail the application to:

AMRO Inc.  
P.O. Box 982  
Westerville, OH 43086

AMRO is a 501(c) 3 non-profit organization. Our organization's funds are earned through fundraisers and adoption fees. AMRO will take in an owner relinquish dog if we have the space and resources available to do so and if the relinquished animal meets the requirements that have been set forth by our organization to deem the dog as being able to be placed through our rescue program.

Due to the nature of our donation based funding, AMRO does require a monetary donation at the time the relinquished dog is turned over to our rescue program. This monetary donation will be discussed with you and an AMRO representative. The monetary donation is used to cover the costs related to the care of the relinquished dog (i.e., medical needs, food, etc.).

If you have an Alaskan Malamute that you can no longer keep due to certain circumstances or if you have found a stray, please complete the Information Review Form and submit it to us. Please send a photograph of the animal to the above address:

Following the receipt of this completed form, an AMRO representative will then review the information and get back to you within seven (7) days.

Please note that if AMRO is full, your name will be placed on a waiting list for the animal to be taken into rescue should your animal be deemed acceptable for rescue placement. As an alternative, you can [click here](#) to view a listing of Malamute Rescues in other states.

For liability reasons, AMRO is unable to consider any dog that has bitten for placement through or with our rescue program. If you have any questions regarding this issue or extenuating circumstances, please [contact AMRO](#) directly or explain the problem on the comment section of the Information Review Form. This information will then be reviewed by AMRO and a determination made as to whether or not we can take the dog. Due to the number of purebred Malamutes needing help and taken in by AMRO, we are not always able to accept a Malamute Mix into our rescue program.
